

AMENDMENTS TO THE SPECIFICATION

Please replace the paragraph at p. 9 lines 21-25 with the following replacement paragraph:

Though the seating plate with a predetermined width is provided to the end of the drying stick in the first embodiment, in the second embodiment, the drying stick 230 upwardly detachable from the seat 210 may have an upper end 232 bent in a “—” shape. Namely, the upper end 232 of the drying stick 230 is bent to be extended horizontally.
